

East Kent DA Camping Rules

These rules are in place to make sure that everyone has a good time and we are welcomed back to sites in the future. We need to be good guests.

1. Please report to the meet steward on arrival to book in and show your membership card.
2. Rally field speed limit is 5mph.
3. Please follow the steward's pitching instructions.
4. It is not possible to reserve pitches although the steward will try and assist if they can. It will help if those that want to pitch together arrive at the same time.
5. Fresh water tap and chemical disposal points will be indicated by the meet steward & no part of a toilet cassette to be anywhere near the fresh water tap. Please do not allow grey waste to overflow onto hard standing areas.
6. Dogs must be kept on a lead, and all waste must be picked up and disposed of properly. Dogs are not permitted inside school buildings or on school sports pitches. Aggressive dogs must be removed from the site.
7. Rubbish must be taken away from the site unless otherwise indicated. Please litter pick your pitch before leaving.
8. All quiet after 23.00 hours on the rally field.
9. Generators are normally allowed 9-12 noon & 4-6pm. This may be extended at winter meets and exceptions made to power medical equipment.
10. No kites or drones on the rally field.
11. Ball games & bikes must be kept away from buildings and unit areas.
12. BBQs and small raised fire baskets are usually allowed but check with the steward & please be mindful of other units.
13. Children remain their parent's responsibility at all times. The committee or steward are not able to monitor your child's behaviour. Any damage caused will be the parent's responsibility if there is a cost to EKDA.
14. Members who have any questions or concerns should speak to the meet steward in the first instance.

We hope that you enjoy yourselves and come back soon!
