

SER. Representative Report 2024-2025

As the representative of EKDA I have been supporting the SER by joining them on the last Zoom meeting copy of minutes already sent. Myself my wife Jenny and Naomi attended the dinner dance at Eastbourne weekend 25th January 2025 we supplied donated a bottle of malt whiskey £30 to support the raffle which was clearly labelled donated by EKDA and was well received with plenty of positive feedback.

We are also attending the SER AGM supplying a large generator and the Bouncy Castle again Naomi myself Jenny and others will be at hand to supervise the castle to represent EKDA.

Unfortunately, it's difficult to support other DAs only I will be attending the Dorset DA for their THS in August but feel what we are doing can only be positive for everyone. Looking forward to doing more to support and represent EKDA. Phil Lambkin EKDA representative
